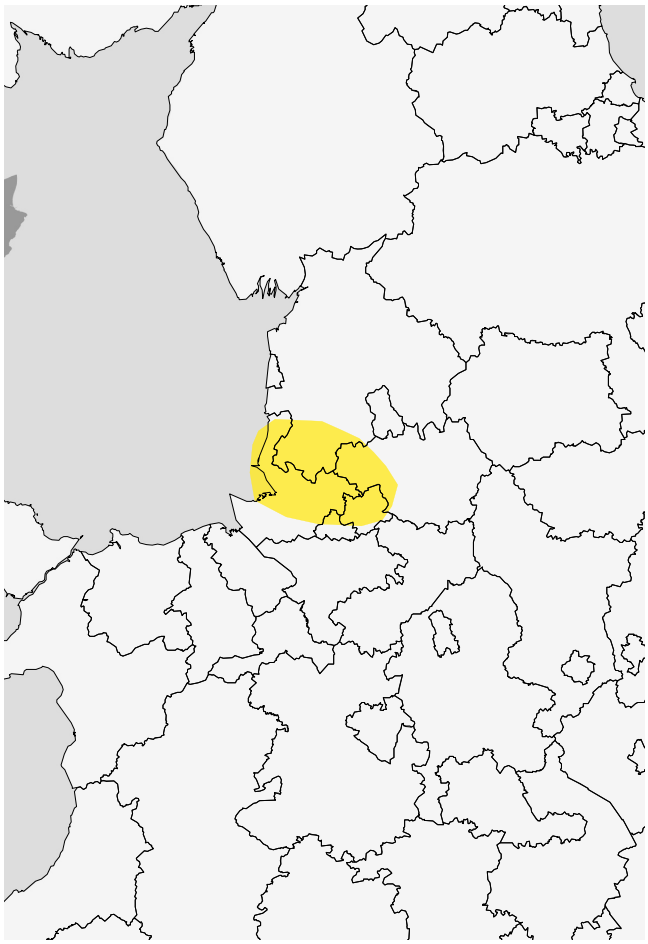
Yellow warning
Rain

Between
01:42 Sat 26 Aug 2023 and
08:00 Sat 26 Aug 2023



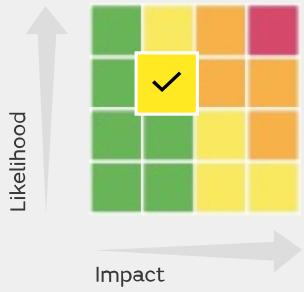
Heavy showers may cause localised flooding and disruption through to Saturday morning

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible
- Some interruption to power supplies and other services likely

Further details

Frequent heavy showers and isolated thunderstorms will continue to affect parts of northwest England early on Saturday before these become less organised after sunrise. Some places are likely to see a further 20-30 mm of rain fall over the next few hours, with a few places seeing 40-50 mm of rain over the course of the night.



Medium likelihood of low impacts
